Expedited Services

Buchanan Hauling & Rigging, Inc. understands the importance of getting your delivery to its location on time, every time.

Buchanan Hauling & Rigging has a dedicated Expedited Services division that ensures we

are ready for the unexpected. A collaboration of using our diverse fleet of semis or a private jet we get your delivery done on time. Many of the Buchanan Hauling & Rigging customers make comments about how they are amazed how the

Expedited Services division always gets it done no matter what the circumstances.

Closed Vans

Approximately one third of the growing fleet at Buchanan Hauling & Rigging consist of closed van trailers. Professional drivers utilize this equipment to handle full loads from start to finish, stop off or multiple destination loads, and volume LTL (less than truck load) deliveries.

Flatbeds, Step Decks, and Lowboys

Serving as a strong arm of the company since its origination, Buchanan Hauling & Rigging has one of nations largest fleets of diverse flatbeds and specialty trailers. Pulling a load with

this kind of equipment is something that only a well experienced and highly trained Buchanan Hauling & Rigging driver can accomplish on a daily basis. This assorted fleet of trailers allows the Buchanan Hauling & Rigging fleet to haul a wide range of commodities in varied dimensions and weights.
