

Closed Vans

Buchanan Hauling & Rigging, Inc. has both plate and standard (sheet & post) van trailers. Plate trailers have an inside width of 101" where our standard vans have a width of 100" both have an inside height of 110". All over the road vans whether plate or standard are equipped with logistics posts/e-track, air-ride, 53' long, and are less than 10 years old. The average age of our van trailer fleet is less than 3 years old. Buchanan van trailers meet all specifications required to allow our customers to move a wide variety of freight both reliably and safely.
